

Elysium Digital Sub-processors

Date: Q4 2025

Introduction

Elysium Digital, a LevelBlue company, provides expert testimony, intellectual property litigation consulting services, and other technical services. In the course of delivering those services, Elysium Digital may engage its affiliates and third-party service providers as processors or sub-processors to support business operations, service delivery, data hosting, or administrative functions.

This document identifies the entities that may process personal data or information on behalf of Elysium Digital customers. All sub-processors listed below are subject to appropriate data protection, confidentiality, and security obligations consistent with applicable data privacy laws.

If you have questions regarding this list, please contact Privacy@levelblue.com.
