

## Stroz Friedberg Sub-processors

Date: Q3 2025

### Introduction

Stroz Friedberg, a LevelBlue company, provides cybersecurity consulting, investigative, and digital risk management services through several affiliated operating entities. In the course of delivering those services, Stroz Friedberg may engage its affiliates and third-party service providers as processors or sub-processors to support business operations, service delivery, data hosting, or administrative functions.

This document identifies the entities that may process personal data or information on behalf of Stroz Friedberg customers. All sub-processors listed below are subject to appropriate data protection, confidentiality, and security obligations consistent with applicable data privacy laws.

If you have questions regarding this list, please contact [Privacy@levelblue.com](mailto:Privacy@levelblue.com).
